BraunAbility

# Turny® Evo

**Financing Available**

**Enjoy every journey without the fear of a fall or injury. The BraunAbility Turny® Evo rotating seat lift makes getting in and out of tall vehicles easy and safe. This worry-free solution is an ideal alternative for anyone with limited mobility or wheelchair users who are looking for easier transfers in and out of a vehicle.**

**Fits over 200 vehicles... minivans, full size vans, trucks and SUV/CUV.**

**This seating solution is available for installation in the driver, passenger or 2nd row applications. A manual back-up system adds peace of mind, and so does the three-year warranty.**

**Enjoy the peace of mind of safe, secure transfers for your loved one with a BraunAbility Turny® Evo swivel seat.**
